

ENTRY FORM and TERMS & CONDITIONS

The Good Funeral Awards is an event that brings together people who work in the funeral industry. We strive to reward the unsung heroes and enable bereaved people to say thank you for being there when we needed you.

If you are entering yourself or your company, please complete the entry form below and write, in no more than 700 words, the story of your life as a funeral professional.

Our chief aim is to create a bridge between the funeral industry and the general public by sharing stories about excellence. This needs to be the focus of your energy. If you wish to scan supporting documentation and attach it in an email, you can do so, but it's the story we're looking for.

*NB If you want to enter another person or company for an award, please e-mail us at info@goodfuneralawards.co.uk and let us know their **contact details, which category you feel they deserve to win and why**. If you choose to pay the entry fee on their behalf you are welcome to do so, please advise us if so and use their name as reference when making payment by BACS (see below).*

We will then contact anyone who receives a nomination and advise them and invite them to enter officially for the category in which they have been nominated.

Entries open on 1 May 2018 and close on **15 JULY 2018**. We will still accept admissions up to 1 August, but any entry fee applicable will rise to £40.

Your entry will only be valid on payment of the entry fee. Entry fees should be paid by BACS to The Good Funeral Awards, (Sort code 77-50-23 Account no: 31347560), **with your name as the reference**. If you are unable to pay by BACS, it is possible to submit your entry by sending a cheque in the post. Please make your cheque payable to 'The Good Funeral Awards' and send it to The Good Funeral Awards, 159 Windham Road, Bournemouth, BH1 4RQ. It must reach us by 15 July 2018 unless you are making a late application and paying the higher entry fee, in which case the closing date is 1 August.

The purpose of the Good Funeral Awards is to enhance the reputation of the UK funeral industry by drawing attention to individual success stories in the trade. We assume all businesses entering offer quality and value. The awards are based on the impressions of the judges and the evidence submitted to them. The Long List reflects our search for the best stories. The judges will not enter into any correspondence with disappointed entrants.
